The Council will consider any comments made by the BID Company before deciding whether to make an application to the Magistrates Court for a Liability Order. The Council will normally then make an application to the Magistrates Court for a Liability Order to recover the outstanding sum of the BID Levy as is permitted by the Regulations and by the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989, as amended. The Council will bear the cost of any application for summons and will recover these costs from the revenue generated through any such action.
- 8.3. In the event that the BID Company requests that the Council does not undertake the full range of recovery action against a defaulting BID Levy Payer (as outlined in 8.1 and 8.2) the Council may write off the outstanding Bad or Doubtful Debt. Should any outstanding Enforcement Expenses remain unrecovered due to a request for the cancellation of recovery action by the BID Company, the Council will recover these costs from the BID Company.
- 8.4. In the event that, after all recovery action has taken place, any portion of the BID Levy is still unrecovered, the remaining Bad or Doubtful Debt may be

written off. Any related Enforcement Expenses which remain unrecovered will be chargeable to the BID Company.

8.5. Where payments become due to the Council pursuant to clause 8.3 and 8.4, the Council must provide an account of the proposed charges to the BID Company. The Council will provide a VAT invoice to the BID Company to request payment of these charges.

9. Refunds on the BID Levy

9.1 Refunds will be payable by the Council on the BID Levy in the event of the over payment of the Levy by a BID Levy payer. Examples of reasons for over payment include:

9.1.1 Payment of same Levy bill more than once in error

9.1.2 Where, subsequent to payment, the Valuation Office Agency (VOA) reviews a hereditament and reduces the Rateable Value (RV), and backdates this change to before the Chargeable Day. This may result in a reduced BID levy liability or (where new RV is below the BID Levy threshold) a removal of the affected hereditament from BID Levy billing altogether.

9.1.3 Were hereditaments within the BID are split or merged prior to the chargeable day, and one or more of the properties are removed from the ratings list, but the Levy bill related to these removed properties has already been paid.

9.2. In the event that refunds become due to a Levy Payer on the basis of the reason set out in 9.1 these shall be payable only upon receipt of a written request from the Levy Payer, or their agents.

9.3. The amounts paid out during financial years 1 to 4 will be deducted from the BID Levy Account – and the payments made to the BID Company will be net of these refunds.

9.4. In final year of the BID Term, the Council will retain up to up to 5% of the billed levy from the BID Revenue Account to be held against the possible need to pay levy refunds after the end of the BID term. This will be paid to the BID Company upon completion of a successful renewal ballot.

10. Payment of the BID Levy to the BID Company

10.1. The Council shall pay to the BID Company in accordance with the Regulations:

- i. On 15th April in each BID Year (2018, 2019, 2020, 2021, 2022) 50% of the debt to be invoiced less any repayments to BID Levy Payers under clause 9 of this agreement.
- ii. On the 1st day of each subsequent quarter in each BID Year, any further balance collected above the sum of payments previously made for that

particular BID year, as at the previous month end, less any repayments to BID Levy Payers under clause 9 of this agreement.

- iii. By 30 April in each year, a final payment of any remaining balance collected for the previous financial year, less any repayments to BID Levy Payers under clause 9 of this agreement..
- iv. After the end of the 2nd year of the BID Term, the Council will make known to the BID Company the number of accounts and amount of Levy still in arrears from the 1st year of the BID Term, and will request agreement of the BID Company for write off of all of these aged debts (except where ongoing discretionary payment arrangements are in place). Where the BID Company request further reconciliation for any of the debts incurred during this year, the Council reserves the right to levy an administration charge to cover staffing which may be required to administer these aged debts during the 3rd and subsequent years. The same procedure will be in place after the end of the 3rd year (in respect of the 2nd year accounts), after the end of the 4th year (in respect of the 3rd year accounts) and so on until the final year of the BID term. In each case, where the BID requests continued chasing and administration of aged debts, the Council will estimate the likely additional staff time required and levy a separate administration charge on the BID Company (the amount to be agreed between the parties).

The following worked example seeks to clarify this clause:

- Assuming the start date of the BID term is 1 April 2018, at the end of the financial year 2019/20 (year 2) the Council will reconcile all the BID monies from bills related to the financial years 2018/19 and 2019/20 (net of refunds). However, unless requested to by the BID Company, arrears outstanding on bills raised for the 2018/19 financial year will no longer be pursued or reconciled during 2020/21 (year 3) or subsequent years.

- 10.2. The BID Company shall issue to the Council a VAT invoice for the payment of the BID Levy income upon advice from the Council of the amount due.
- 10.3. The BID Company shall provide the Council with details of its own bank account into which the BID Levy shall be transferred electronically
- 10.4. In the event that a BID Levy Payer is entitled to a repayment of a BID Levy pursuant to paragraph 8(4) of Schedule 4 of the Regulations and in the event that the Council has paid such BID Levy to the BID Company including all of the contingency relating to that BID Levy the Council shall request such repayment sum from the BID Company and the BID Company shall pay the repayment sum to the Council by way of reduction in the quarterly payments, as scheduled in 10.1, and the Council shall thereafter repay the repayment sum to the BID Levy Payer.
- 10.5. The BID Company may only spend the BID Levy in accordance with the BID Proposals; except that if the BID is varied then from the date of the

variation takes effect the BID Company may only spend the BID Levy in accordance with the varied BID Proposals.

- 10.6. In the event of an overpayment by the Council to the BID Company, the Council will subtract the owed amount from the next scheduled payment of the BID Levy. In the event that the overpayment falls due after the Council has paid the last quarterly payment within the BID Term, the BID Company shall reimburse the Council forthwith unless the amount is less than £1000.
